

STAND DOWN IS NOT IN OUR VOCABULARY

Since 1911, the U.S. Military has relied on Mack trucks for the success of the Nations' armed forces. The all-new Mack Military Line-Haul tractor is built to ensure mission critical supplies reach the front lines. It is armor ready with increased axle and suspension ratings, and is available with Armor A and B Kits. It muscled through tough terrain with a powerful, 480-HP, 1,800-lb.-ft. of torque — MP8 engine. It delivers reliable protection and offers one of the world's largest parts and service networks to keep you up and running. So, when you need a mission accomplished rely on the high horsepower and superior low-end torque of the MP8 Engine only found in a Mack Truck.
