

Legendary performance meets classic style.

Introducing Mack® Rawhide™

Pamper yourself with Rawhide.

This premium Mack, with a mid-rise sleeper, is designed and built with all the amenities for truckers who travel open highways and endless byways. This regional haul specialist portrays rugged good looks and unique personality. Built on the Advantage™ Chassis this workhorse builds on the Mack reputation for durability and reliability. Rawhide features exceptional maneuverability with 50-degree wheel cuts.

Looking good inside and out.

On the outside Rawhide reflects individuality with a chrome and steel package that sets the driver apart from the crowd. Inside, its ergonomic styling, full gauge package and exceptional soundproofing combine to create an environment that spoils drivers. Rawhide also features a wood grain dash, and a wood grain and chrome steering wheel along with a premium "button-tuck" interior in your choice of three elite colors.

The Mack Rawhide surrounds its owner in style with classic chrome accents and special features such as:

- Polished dual Exhaust with 6" Stacks
- Stainless Steel Exterior Sun Visor
- Quad Chrome Air Horns With Snow Shields
- Chrome Heated & Motorized West Coast Mirrors
- Bright Finish Heated Convex Mirrors
- Polished Texas Square Bumper
- Stainless Steel Hood Latches
- Chrome Grab Handles
- Chrome Bullet LED Marker Lights
- Remote Keyless Entry System
- Wood Grain Dash With Chrome Trim Rings
- Polished Aluminum Fuel Tanks
- Wide Stainless Steel Fuel Tank Straps
- Wood Grain & Chrome Steering Wheel
- Dual Polished Battery Box Covers

Comfort. Design. Individuality.

Mack created the Rawhide by blending style and comfort to meet the desires of today's driver. Its progressive styling and chrome package is the mark of a premium highway truck that is designed to turn heads and profits. Be an individual with the Mack Rawhide.
