Trucktoberfest 2017

Trucktoberfest was a huge success once again, with 120 antique trucks and over 400 people in attendance. A big thank you to all who attended for making this year's Trucktoberfest successful. We look forward to seeing you next year!

Trucktoberfest 2017 went off with a bang - good weather, good friends, beautiful trucks!

Collections Assessment Program

The museum was awarded a Collections Assessment Program grant that funded assessors to review our collection, storage, and procedures. Recommended changes include adjusting our collection storage, proper lighting, adequate shelving, controlled environment in storage areas, and more. Financial support received by the museum will go directly to these vital improvements to preserve the condition of the museum's collection. The Mack museum survives on contributions, and we greatly appreciate any and all financial assistance.
