

Jacksonville, Florida Parts Distribution Center

MACK®

About Us

The Jacksonville, Florida Parts Distribution Center (PDC) has been supporting Mack and Volvo Trucks dealers and customers since 2006. Today, the facility is one of eight Regional Parts Distribution Centers located in North America, and distributes more than 16,000 unique stock keeping units (SKUs) and 736,000

order lines annually to Mack and Volvo Trucks customers in the U.S. The Jacksonville Regional Parts Distribution Center serves dealers in the Southeast region of the U.S., including those in North Carolina, South Carolina, Georgia, Alabama and Florida.

Jacksonville PDC Facts

- Employs about 30 people, about 27 of whom are UAW-represented.
- Certified to the internationally recognized ISO 9001 standard for quality, and ISO 14001 standard for environmental management systems.
